Subject: Reference Letter for Ms. Athir Al-Abri

To Whom It May Concern:

Ms. Athir Al-Abri is a student in our Department of Computer Science at Sultan Qaboos University. She has taken with me the following courses:

- COMP3203 – Introduction to Data Structures and Algorithms: She has taken this course in Spring 2023. She obtained a C+ grade in this course and ranked 25 out of 40 students.
- COMP4506 – Systems and Networks Programming: She has taken this course in Fall 2024. She obtained a B+ grade in this course and ranked 22 out of 66 students.
- COMP5504 – Distributed Systems: She has taken this course in Spring 2025. She obtained an A grade in this course and ranked 10 out of 54 students.

The above information shows that Ms. Athir's performance has been steadily improving and has reached maturity and excellent performance in recent semesters.

Ms. Athir is a hardworking and ambitious person. I give her my support and recommendation.

Sincerely yours,

Khaled Day, Professor
Department of Computer Science
Sultan Qaboos University
